

## **Agenda Item Details**

Meeting	Jun 23, 2026 - Regular City Council Meeting
Category	7. New Business
Subject	C. Resolution 2026-105 Approving the Renewal of Worker's Compensation Excess Insurance and Third-Party Administrator
Type	Action

### **Introduction:**

This agenda item is for City Council to consider the authorization of Worker's Compensation Excess Insurance and Third-Party Administration renewal for a period of two years from the agent HUB, with carrier Midwest Employers Casualty for a period of two years.

### **Overview:**

The City of Hamtramck is required to have excess Worker's Compensation insurance for employees per the State of Michigan. The city has worked with HUB (formerly Creative Benefit Solutions) since 2009, during which time the city has maintained an excess insurance policy and third-party administrator (TPA). A request for proposal (RFP) was prepared and monitored by HUB Solutions on behalf of the city. The incumbent excess contract was the most competitive and there is no change in the rate.

HUB Solutions solicited bids from Midwest Casualty Accident Fund, Safety National, Incline Casualty and several others that declined to quote.

### **Budget Impact:**

Excess insurance premiums, agents and third-party administration fees are included in the worker's compensation budget in the 2026-2027 Appropriations Ordinance.

### **Recommendation:**

The interim City Manager recommends that City Council approve Resolution 2026-XX approving the renewal of Worker's Compensation Excess Insurance and the Third-Party Administrator for a two-year period.

### **Prepared by:**

Mashana Burton, Human Resources Director

### **Reviewed by:**

Syed Ahsan, Interim City Manager

### **Attachments:**

- City of Hamtramck WC renewal proposal
- Midwest Excess Insurance Quote
- ASU Group Service Agreement
